We are having the annual gift basket fundraiser in support of Big Brothers Big Sisters of Halton. Starting in December the clinic will be overflowing with gift baskets, jams, honey, maple syrup, all natural fruit juices and honey products from Andrews Scenic Acres. It was a wonderful success last year and we raised \$600 for the charity. We hope to have an even bigger success this year.

Have a safe and healthy winter. We look forward to providing you with the most up to date services and high quality care.
